

What has been your most —— *memorable* —— yachting experience?

The discovery of the WW2 aircraft carrier Ark Royal with our on-board ROV

Getting the world record for 'Furthermost South Position' in 2014

Being best man for a 90-year-old guest and his 92-year-old wife

Nearly sinking

When a charter guest gave birth on board

I don't think I've had it yet

Last summer I rescued two fisherman who were lost at sea after their boat sunk

Getting rose petals, candles and Champagne set up for me on the bow of my friend's charter yacht Miracle late one evening during the Fort Lauderdale Yacht Show so I could propose to my now wife.

After nine years, I still wake up and am happy to go to work - in this life that can be a rare thing

Pulling my drunk captain out of the water in front of Richard Branson
